# FAQ

## Q: CAN MY SON BECOME A PROFESSIONAL SOCCER PLAYER?

A: There are no guarantees, but there are **real opportunities**, as a player's success in professional football will depend directly on their natural talent, but also on their ability to improve and their discipline during their formative years. Academies work with qualified coaches trained to develop young talent and offer exposure matches for scouts and agreements with professional clubs, designed to increase the players' visibility. In addition, your child will receive high-level sports training and the tools to access football trials and join professional and semi-professional teams.

## Q: HOW CAN I KNOW IF AN ACADEMY IS SERIOUS AND OF QUALITY?

A: Trust a **specialized agent like Ertheo**, who can offer you their experience and impartial advice on each of the options, at no extra cost to you, to help you maximize this investment in your children's future.

## Q: WHO IS THE IDEAL CANDIDATE FOR A HIGH-PERFORMANCE ACADEMY? (CANDIDATE PROFILE)

A: A young man or woman **who wants to be a professional soccer player**, has good athletic qualities, and is looking to continue his academic training to ensure a good future.

# FAQ

## Q: WHAT OPPORTUNITIES ARE THERE TO BE SEEN BY PROFESSIONAL CLUBS?

A: The academies have ties to **professional clubs** and organize tournaments, friendly matches with their teams, and scouting sessions where young players participating in long-term programs have the opportunity to showcase their talent in front of scouts and coaches. First, the academy trains the player for months, and when they see that the player has the necessary skill level, attitude, and maturity, they seek out an opportunity for them.

## Q: HOW DO YOU GET INTO A FOOTBALL ACADEMY?

A: The most recommended option is to **first attend a short program** (a week or two) so the player can experience the academy and have the academy staff understand their level and potential. Then, after a meeting between the academy and the family, the most appropriate future plan is proposed.

## Q: WHAT IS THE PAYMENT METHOD? CAN I PAY IN INSTALLMENTS?

A: It depends a lot on the academy. Typically, you pay a deposit to reserve your spot, and the remaining amount is paid in **installments**.
